Great things are achieved and experienced in Small Schools

Principal's Message

Welcome back to a fresh new term. I hope you all enjoyed the Easter holidays and took the opportunity to rest and recharge, especially if you were affected by Cyclone Debbie in the lead up to the break. I am looking forward to working with you all as we strive to provide engaging, inclusive and innovative learning environments across our school.

Our school received minimal damage from Cyclone Debbie and special thanks must go to all Disaster Emergency Response teams that were activated, including school and regional staff who worked tirelessly to minimise risks to personal safety, and damage to infrastructure. With the assistance over the Easter holidays we were able to have everything up and running to commence Term 2.

Term 2 calendar is already looking very busy with great learning opportunities, assessment and working within our local and wider community with school events. Throughout the term the P&C will be asking families to assist with different fundraising ventures. If you can help in any way they would appreciate it so much.

The PV Cross Country is booked at the Pioneer Valley Golf Course at Mirani for next Friday 28th April. I would like to wish those year 4-6 students who are taking part in this event all the best and we are so proud of you for having a go. Let's go Gargett... lets go!

At the end of this term we will say farewell to a much loved staff member Mrs Lopeman. She has been part of our school family for over nine years working as a Teacher Aide. As a great asset to our school, classroom and school community don't let time pass without making this term the very best for her.

Fiona Tass
Principal

School Leader Induction Ceremony

Our new date for our school leader induction will be Thursday 27, April. Our ceremony will commence at **9:15am** and conclude at **10:00 am**. This will be followed by a morning tea with our special guests and parents. We wish our school leaders the very best as they continue to prepare for this upcoming event.

P & C NEWS

Thanks to all the families that sold tickets in our Easter raffle which was drawn over the holidays. The lucky winner was Leji George from Mirani. This term is shaping up to be a very busy one for the P & C and we will be needing help from the families at some of the upcoming events.

This Saturday night, April 22nd, the P & C is on the gate at the Gargett Rodeo from 2pm to 8pm and is looking for anyone who has time to come along and help during the afternoon. Please contact the school ASAP to put your name down on the roster.

Next month, May 28th is the Bunnings Sausage Sizzle at Paget and volunteers will be needed on the day. The P & C has also been offered, once to do the morning tea for the judges and stewards for the Pioneer Valley Show so bakers and volunteers will also be required then. Term two really is a busy time for the P & C but they are all worthwhile events that raise money for the benefit of all the students.

We hope that all families can assist at at least one event this term.

THROUGH PLAY WITH C & K

VACANCIES LEARN AVAILABLE - ENROL NOW FOR TERM 2!
