School Overview

Gargett State School is a two teacher co-educational school, offering quality education from Prep through to Year 7. Our school is part of the Mackay Regional Council in the Pioneer Valley. The staff is led by a teaching principal who is supported by a classroom teacher and a team of support staff, including teacher aides and administrative staff. Specialists visit the school to assist in the delivery of Music, Languages Other Than English and Physical Education. At Gargett we aim to provide a quality, authentic curriculum that inspires and motivates students to achieve their personal best. The curriculum offers children opportunities in all eight key learning areas, with a strong focus on literacy and numeracy. Parents work collaboratively through a supportive Parents and Citizens Association which endeavours to assist with the educational program as well as the development of the facilities and services for the students in this community. Gargett State School provides a range of unique extra-curricular activities including Mackay Choral Festival, Mackay Eisteddfod, Cultural Days, Under 8's Day, sports day with Pioneer Valley Cluster Schools and continued partnerships with our local community. At Gargett State School we focus on the progress and not perfection and on providing every student their opportunity to shine.

School vision: Strive to Succeed

Curriculum Delivery

Our Approach to Curriculum Delivery

Our distinctive curriculum offerings were a combination of approaches for curriculum delivery. Key learning areas were addressed as distinct programs as well as parts of integrated units. Literacy, Numeracy, Explicit Instruction tools and ICTs were embedded across all key learning areas. Students are offered a rich variety of academic, cultural, citizenship and social skills at Gargett State School. Participation in such activities enhances student confidence, builds resilience and develops teamwork and tolerance- all vital qualities if students are to maximise life's opportunities. Due to the small cohort of students at the school, staff attempt to involve the students in as many activities with other small schools within the Pioneer Valley as practically as possible.

Co-curricular Activities

Academic: Leadership conference, Pioneer Valley Mathematics Competition, Whitsunday voices Literacy festival

Cultural: NAIDOC Celebrations, Indigenous Artist and cultural lessons whilst supporting the National Curriculum

Sporting: Pioneer Valley Interschool Sporting events, sporting trials- tennis, basketball, rugby league and netball

Citizenship: ANZAC Day, Remembrance Day Services

Social: Combined Life Education, Combined Science days, disco, cultural days

How Information and Communication Technologies are used to Assist Learning

We continue to access a variety of activities through, The Learning Place to assist with student projects, C2C Planning resource building, networking with other schools through virtual classroom and classroom activities. We also use virtual classrooms to assist student learning in LOTE. Digital planning and resources are also accessed by staff to use in the classroom. Our school webpage and School Facebook pages have links for parents, students and school community to access in learning in all curricular areas.

Social Climate

Overview

At Gargett we use the 'You can do it' Values Program. This program works effectively with our responsible School Behaviour Plan and it covers issues such as diverse learners, differentiation and inclusive learners, Bullying and Cyber Bullying. We continue to involve our local police officer Sergeant James Dolby from the Mirani Police Station to come and speak with our students, parents and school community; regarding bullying/ Cyber Bullying issues. One important strategy we use is to report bullying to an adult you trust. School staff will continue to review the Responsible Behaviour Plan in particular incorporating cyber bullying and bullying. In association with P&C we applied for the Chaplaincy grant and were successful. Our Chaplain works on a weekly roster throughout four Pioneer Valley Schools'. The chaplain works with the Principal in planning support activities to assist student learning, social and emotional skills and provide another link for our students and parents.

Parent, Student and Staff Satisfaction

Parents are encouraged to assist teachers with reading activities and act as a support within the school. Clear expectations of the activity are set along with directions of their role are explained. Information workshops have been offered to parents and carers in the teaching of reading sessions, raising the bar forums, behaviour management strategies, cyber bullying and parent interviews to discuss their child's progress. Details of class programs are provided through a fortnight newsletter. An open invitation for parents to visit the classrooms and volunteer for activities. At Gargett School we try to offer parent workshops once a semester to include parents in the learning perspectives and partnerships within the school community. Cluster workshops in teaching reading and writing are also offered.

Environmental Footprint

Reducing the school's environmental footprint

At Gargett State School, staff, students and the community are conscious of the environmental impact the school makes. Water is an important commodity and students', staff and parents ensure that it is used efficiently and sustainably. Recycling bins are actively used in the classrooms and playgrounds, and solar panels are used to offset the usage. Future practices have been identified to help supplement those practices already implemented, and thus help to further reduce Gargett State School environmental footprint. Sustainable practices are taught throughout the establishment of the worm farm and vegetable gardens. Maintaining partnerships with community farmers in providing soil for the gardens, sand for the sandpit and assisting with movement of mulch and digging for the new long jump pit.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	12,127	365
2015-2016	18,979	268
2016-2017	21,403	149

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into One School by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Gargett State School we believe that Every Day Counts and Every Child Matters. Our school requests student absences (including late arrival and early departure) must be accompanied with a note or phone call from the parent explain why. The school roll is marked twice a day at 8.30 a.m. and 1.30 p.m. Students arriving after 11.00 a.m. are marked as absent. Gargett State School has a recording process whereby absentee codes are kept at the school for the day followed up with a courtesy call. If there should be more than two days occur with an unexplained absences, further communication occurs with the parents. A letter goes home to parents, and longtime absences are followed through with a courtesy phone call.
